Canadian Challenger Owners Manual

Canadian Challenger Owners Manual ... Check all flight and control surfaces, attach points, hinges, control linkages and connections. Double check that the lower strut attach (rony) brackets are fastened with the bolt head outside the fuselage and the nut inside the fuselage. Also check that rudder, aileron and throttle cable casings have been ...

Challenger II Aircraft Construction Manual

CHALLENGER II—SECTION 1- Tail section (Empennage) We supply a 'Heat Shrinkable Dacron' material to cover the tail section. It is lightweight at 1.8oz per sq yard and has a tight weave. Using heavier fabric requires extreme care to avoid distorting airframe members when shrinking, and does not have the fine finish as offered by the
