## Where can I find parts for a Chris Craft Catalina? | Yahoo ...

The 281 catalina covers a lot of years, and many different options, Chris Craft wasn't known for making cookie cutter boats back in there hey day, and quite a few were custom ordered, so a manual was not a top priority, you either knew how to operate and work on it or found someone that did, old boats are not rocket science, mechanical parts are available from just about any boat yard, as CC ...
