## Law and Religion: Law, Religion, and Morality ...

LAW AND RELIGION: LAW, RELIGION, AND MORALITY The relation between law, morality, and religion in the West has grown progressively more complex and fragmented over the last five hundred years. Historically, two paths emerged in Western thought regarding the relation of transcendent justice and positive law secured in the secular political order.

## The Law of God

What is the law of God? How does God define the law of God? This question is of great importance, for it deals with our spiritual understanding. God's laws are the rules of the Kingdom of God and His way of life, and they are divine and perfect in intent, equity and administration.

## American civil religion

American civil religion is a sociological theory that a nonsectarian quasi-religious faith exists within the United States with sacred symbols drawn from national history. Scholars have portrayed it as a cohesive force, a common set of values that foster social and cultural integration. The ritualistic elements of ceremonial deism found in American ceremonies and presidential invocations of ...
