## **Is there any false teeth you can slip over your teeth ...**

Dr. Freedman responded: Snap on Smile. "Snap on Smile" is almost like theatrical teeth that slide over your existing teeth and can literally transform your smile. It is a quick way to go, but one must remember that it is temporary and not practical for eating! There are several different brands, but the final results are all nearly the same, see your dentist for a permanent makeover!

### **How to Brush Your Cat's Teeth the Right Way**

Brush this cat's teeth! We've all smelled our kitty's breath when it wasn't as "fresh" as it could be — when the smell of fishy cat food became a just a bit unbearable. That smell can be a sign of periodontitis, or dental disease, in your cat. And the bacteria that cause dental disease are the same bacteria that can travel throughout your kitty's system to cause lung, heart and ...

### **Fake teeth that look real. The original press on veneers ...**

The fake teeth shell arrives flat, but once fitted, it's arch-shaped, springy and clips over your upper teeth gently but securely. If you don't get it right, you can try again! Comfortable, Believable - Unlike other brands, it's so thin so your face isn't distorted. Speak perfectly - even your bite isn't affected.
